Number 29.

## AN INTERESTING CONTEST.

### State Meet was a Grand Success—Five Colleges Represented.

Texas acquitted herself most honorably in the  
second annual championship meet of the State  
Inter-Collegiate Athletic Association last Satur-  
day. It was one of the best conducted athletic  
contests that was ever pulled off on a Texas field,  
and was a credit to all the contesting institutions.  
Not a detail of such a meet was omitted; all of the  
teams had been thoroughly trained; a number of  
State records were broken; and on the whole, track  
athletics in Texas made a great stride forward on  
that memorable day.

The Texas Inter-Collegiate Athletic Association  
was organized in Austin last year and its first con-  
test was held at the time of that organization.  
The event was a success in every respect though  
a number of the teams were handicapped by lack  
of training. This year marked improvement in all  
of the teams was discernible, and it is now pre-  
dicted that in a few years Texas will turn out track  
men who will compete favorably with those of the  
East. The greater part of all this success is due to  
the tireless energy of Frank Homer Curtiss, presi-  
dent and manager of the Association, gymnasium  
director in the University of Texas, and coach of  
its track team. Mr. Curtiss has worked hard and  
faithfully all along and his efforts were rewarded  
in the successful meet that was pulled off Satur-  
day.

'Varsity had by far the best team, alike in point  
of training, material and general appearance. Its  
members carried off most of the honors. In Hays,  
Schuddemagen, Bowen, Averitte, Mann, and How-  
ser it has a team that should make things inter-  
esting at the coming Southern meet in Nashville  
this month.

There were five institutions represented in the  
contest. The personnel of the teams was as fol-  
lows:

University of Texas—R. H. Hays, captain; R. B.  
Gillette, G. C. Lewis, R. C. Pantermuehl, J. P.  
Howser, W. J. Bowen, W. C. Vernon, J. F. Cox, F.  
D. Russell, I. Martin, W. D. Warren, E. N. Mann,  
O. R. Akers, N. J. Marshall, J. J. Averitte, G. W.  
Briggs and C. L. B. Schuddemagen.

Baylor University—C. M. King, captain; O. M.  
Weatherby, J. G. Logue, R. R. Robb, Wm. Morrow,  
E. E. King, Jr., J. S. Pearce, James B. Moore, M.  
O. Neal, F. M. Jones and G. O. Vannoy.

Southwestern University—D. W. Baker, captain;  
L. H. Browne, R. F. Henderson, G. N. Aldridge,  
W. E. Orgain, A. S. Brewer, M. L. Allison, E. E.  
Grimes and W. A. Tarver.

Austin College—H. Nesbitt, captain, and C. C.  
Carsner.

Agricultural and Mechanical College—R. R. De-  
Ware, captain; M. E. Akers, W. E. Beilharz, E.  
Klass, I. L. Williams, E. L. Markham, S. Houser,  
F. G. Hackney, M. M. Carpenter.

There were fifteen events, all told. Bowen  
proved himself an able athlete; Hays broke some  
of his former records; Averitte did flattering work;  
Schuddemagen carried off the honors in the most  
exciting contest of the day, namely—the mile run;  
Mann won the half-mile run; Howser and Pantermuehl  
did some pretty work at the pole vault.  
DeWare was A. & M.'s star man, who carried off  
the honors in the running high jump; Carpenter,  
also of A. & M., proved himself an able sprinter;  
Robb, of Baylor, won the running broad jump.

The official results of the different events were as  
follows:

One hundred yard dash—W. J. Bowen, University  
of Texas, won; E. L. Markham, Agricultural and  
Mechanical College, second; M. M. Carpenter,  
Agricultural and Mechanical College, third. Time:  
10 4-5. Best previous record 11 seconds.

Discus throw—R. H. Hays, University of Texas,  
won; E. Klass, Agricultural and Mechanical Col-  
lege, second; N. J. Marshall, University of Texas,  
third. Distance, 101 1/2 feet, as compared with  
100 1/4 feet best previous record.

Half-mile run—E. N. Mann, University of Texas,  
won; O. M. Weatherby, Baylor University, second;  
W. E. Akers, Agricultural and Mechanical College,  
third. Time: 2 minutes 12 1/2 seconds, as com-

pared with 2 minutes 18 1-5 seconds best previous  
record.

Sixteen-pound shot put—R. H. Hays, University  
of Texas, won; R. R. DeWare, Agricultural and  
Mechanical College, second; C. M. King, Baylor  
University, third. Put 34 feet 8 3/4 inches.

One mile run—C. L. B. Schuddemagen, Univer-  
sity of Texas, won; W. E. Beilharz, Agricultural  
and Mechanical College, second; E. E. King, Jr.,  
Baylor University, third. Time: 5 minutes 9  
seconds.

Two hundred and twenty yard dash—M. M. Car-  
penter, Agricultural and Mechanical College, won.  
Time: 24 2-5 seconds, as compared with 25 3-5  
seconds best previous record.

Running high jump—R. R. DeWare, Agricultural  
and Mechanical College, won; F. G. Hackney,  
Agricultural and Mechanical College, second; J.  
G. Logue, Baylor University, third. Height, 5 feet  
4 1/2 inches.

Sixteen-pound hammer throw—J. J. Averitte,  
University of Texas, won; R. H. Hays, University  
of Texas, second; S. Houser, Agricultural and  
Mechanical College, third. Distance, 92 feet.

Running broad jump—R. R. Robb, Baylor Uni-  
versity, won; G. N. Aldridge, Southwestern Uni-  
versity, second; R. R. DeWare, Agricultural and  
Mechanical College, third. Distance, 19 feet 3  
inches, as compared with 18 feet 6 3/4 inches, best  
previous record.

Pole vault—J. P. Howser, University of Texas,  
won; R. C. Pantermuehl, University of Texas,  
second; R. R. DeWare, Agricultural and Mechan-  
ical College, third. Height, 9 feet 8 inches, as com-  
pared with 9 feet, best previous record.

Four hundred and forty yard dash—M. M. Car-  
penter, Agricultural and Mechanical College, won;  
C. M. King, Baylor University, second; I. Martin,  
University of Texas, third. Time, 57 2-5 seconds,  
as compared with 62 2-5 seconds, best previous  
record.

Summary—Texas won by a score of 60 points,  
with A. & M. College second with 36 points; Bay-  
lor third, with 17 points; Southwestern University,  
4 points; Austin College, 0. First place in each  
event counted 5 points and a gold medal; second  
place, 3 points and a silver medal; third place, 1  
point and a bronze medal, and a handsome banner  
suitably inscribed was awarded to the winning  
college.

The officials of the contest were: Referee, F.  
Homer Curtiss; clerk of course, J. A. Lomax; as-  
sistant clerks, C. H. Smith, H. H. Ford; starter,  
W. H. Preston; timers, Profs. Benedict, West-  
man, Ellis, Curtiss, Mather; track judges, Profs.  
Mezes, R. H. Hamilton, Townes, Simkins; judges of  
jumping, Profs. F. N. Duncan, Schoch; judges of  
the weight events, Prof. F. Lane, Ferguson, Ban-  
tel; scorer, Prof. B. F. Wyche; announcer, Sam  
Hughston.

Officers of the Texas Inter-Collegiate Athletic  
Association for the past year were as follows: F.  
Homer Curtiss, President and Manager, the Uni-  
versity of Texas; C. M. King, First Vice-President,  
Baylor University; Joe L. Clark, Second Vice-  
President, Add Ran University; D. W. Baker, Sec-  
retary-Treasurer, Southwestern University.

Executive Council: F. Homer Curtiss, Presi-  
dent; C. M. King, Joe L. Clark, D. W. Baker,  
Thos. W. Blahe, G. L. Smith.

### Oratorical Contest Next Saturday Night.

On Saturday, May 10th, immediately following  
the Band Concert, will occur the second annual  
contest for the DuBois Prize in Oratory, and the  
annual contest for the Inter-State representation  
in the Southern Oratorical Contest at Lexington,  
Ky., on May 23rd.

Following is the program: Song, Miss Mayme  
Jackson. Speakers, 1. Edwin Elmore Bewley,  
subject, "Aristocracy." 2. Joseph Burton Dib-  
rell, Jr., subject, "Napoleon Bonaparte: Murderer  
or Patriot?" 3. Hammett Huntingdon Hardy,  
subject, "Beyond Popocatepetl Lies the Golden  
City." 4. Wilbur Price Allen (not a contestant  
for the DuBois Prize) subject, "The American  
Invasion." 5. George Spencer Wright, subject,  
"An Ideal Hero." Song, The University Glee Club.  
Announcement of Judges' Decision.

Friends of the speakers are asked not to send  
flowers to the platform. The admission to this  
entertainment is free, and it is hoped that a large  
audience will greet the speakers.

On Wednesday, May 14, a memorial service in honor of the late Prof. Bugby will be held in the Auditorium at 12 o'clock noon. Several short addresses will be delivered and the Glee Club will lead in the singing of the hymns.

The Athenæum has appropriated ten dollars to aid in sending the track team to Nashville. The Rusk will do the same. These are steps in the right direction. They manifest a rising spirit and enthusiasm which will soon place 'Varsity in its proper place in these sports.

Too much cannot be said in praise of the indefatigable energy and spirit of Physical Director Curtiss. Whatever track athletics have attained to, not only here, but in the whole State, is due almost to him alone. He set on foot and is today the leading man in The Texas Inter-Collegiate Athletic Association.

There is some talk of naming the woman's building after the distinguished ex-Gov. Oran M. Roberts, formerly professor of law in the University. Would it not be more appropriate to name it after Dr. Leslie Waggener who was president of the University faculty at the time of his death, or after some woman who has done great work for the University and for Texas, and name after the great "old alcalde" the new law building which must soon be an actual realization?

Of the 60 points made by 'Varsity in the State meet Saturday, 56 were made by B. Hall men, which includes all of the nine first places won by Texas. The fact that the Hall is so distinctly the pioneer in this new field of athletics, now only beginning to take its hold on the sentiment of the whole student body, is a magnificent commentary on fact that the B. Hall boys are thrown into closer touch with the University spirit and respond more readily to its latest demands. Perhaps, too, it is due in a large measure to the diet at B. Hall, which, if not of the richer sort, is at least of that plain and frugal kind which develops the bone, the sinew and the muscle.

Some time ago President Prather received a significant letter from the Hon. Chas. K. Lee, Assistant Attorney on the Santa Fe with headquarters at Galveston, sometime student in the University of Texas, to the following effect:

"Col. W. L. Prather,  
Austin, Texas,

Dear Sir:

I enclose some correspondence with reference to a proposed subscription of \$40,000 for the new Cornell Athletic Field. This enterprise is in line with what I think the ex-students of the University of Texas ought to do for it. I have noticed from the Magazine that a new gymnasium is desired, and it has seemed to me that it would be the proper thing for the alumni and ex-students to try to raise the money to build it. The ex-students throughout the State are quite a prosperous body of men. Most of them are doing well, and I believe that a proposition similar to this fathered by some of the most prominent alumni would meet with a very prompt response.

"Truly yours,  
"CHAS. K. LEE."

This letter comes at an opportune moment, and is indicative of an awakening interest among the alumni of the University for their alma mater. It

**S. Greenberg, Optician**

is a fact too true that there is a woful lack in the manifestation of college patriotism by Texas alumni. The fact is not entirely unexplainable either, and if a students' council is organized here as is contemplated, it is at least hoped that the alumni of the future will display more active interest.

It is also true that the alumni of this institution are among the most prosperous men in this great State and are well able to take part in the scheme above proposed. These men hold many prominent public positions, and are identified with all the successful industries of Texas. They will readily assent to the proposition for the erection of a new gymnasium, and all that is needed is some one to take charge of the matter and push it to completion. The TEXAN would suggest, and in its suggestion it voices the wishes of the entire student body and Faculty, that since Mr. Lee was the first to inaugurate the move, that he appoint himself to take the lead in the matter, and that he take such steps as he deems proper in the premises.

The need for a new gymnasium is pressing enough. The present cramped quarters are entirely inadequate and hamper efficient work. The rooms are improperly ventilated, are dark, and there is no place to turn around. The equipment is of the most mediocre amount. The Legislature was asked for appropriations with which to erect a new and modern up-to-date structure, but that body will oppose appropriations for any enterprise here other than intellectual. It is exceedingly fitting from all points of view, that the alumni should construct this building, and make it a handsome and fitting gift to the University. Cornell is going to build a new athletic field of twenty acres nearer her campus that will cost \$75,000, and her alumni are going to pay for it. It will contain a general play ground for the whole student body, several baseball diamonds, football fields, lacrosse fields, tennis courts, club houses for teams, football and baseball ground, grand stands, etc. If Cornell can afford such elaborate athletic fields at the expense of her graduates, there should be no reason why the University of Texas should not have a less pretentious gymnasium at the expense of her graduates.

Athenaeum banquet—Thursday night.

Mr. Ewin of Calvert is visiting the University.

Ashbel show—Wednesday night. Don't miss it.  
Roy Buihett has withdrawn from the Uni-  
versity.

Miss Ethel Rather of Gonzales is visiting at  
Mrs. Kirby.

The Committee on Student Association is about  
ready to report.

Bowen was the only new man to make a "T"  
Saturday. He won 8 points.

Many of the students enjoyed the Union Sunday  
School Picnic at Water's Park.

Robert M. Rainey spent last week at Dallas  
with the rest of the old soldiers.

The Geology excursion to Marble Falls was a  
big success. About 60 students took the trip.

Mr. Tinlayson and Mr. Dickinson of Florida  
spent a few days of last week with the Sigma Nu.

All the members of this year's track team, with  
the exception of one or two, will be back next  
year.

Final preliminary for representative in the Inter-  
State Oratorical Contest and Dubois prize contest  
in oratory—Saturday night.

J. C. Wilson, LL. B., '96, defeated R. B. Hood,  
LL. B., '92, for county attorney of Parker county  
in the recent primary election.

W. R. Smith now lecturer in history in Barnard  
College, the woman's annex to Columbia, has  
been given an instructorship in Bryn Mawr.

Ira P. Forsythe, county clerk of Morris county,  
was in the corridors Tuesday. He was the guest  
of Mr. Roy Crowder of the Junior Law Class.

Tom Holland of Brenham was here Saturday  
shaking hands with his friends. Tom was an en-  
thusiastic rooter for Varsity at the State meet.

J. R. Johnson, who was called home recently on  
account of the serious illness of his mother, re-  
turned Sunday. His mother is much improved.

## Graham & Andrews, DRUGGISTS.

The Simpkins had a lively meeting Friday night.  
The debate was especially warm. Moore and  
Davis proved over Walling and Rigby that the  
government should not own railroads.

Dr. Penick says that young men who desire to  
sing in the Glee Club would do well to put in an  
application right away, so that the Club can get  
to work as soon as possible next year.

Carpenter and DeWare of A. & M. are splendid  
all-round athletes. Carpenter, who won the 220  
and 440 dashes, and who is one of A. & M.'s star  
football players, will be here next year.

On last Saturday night the University German  
Club gave the first of a series of Germans to be  
held at Hyde Park. A large number of couples  
were present and everyone had a delightful time.

Gillette was unable to take part in the State  
meet on account of a sprained ankle. This un-  
fortunate circumstance probably lost Texas any-  
where from 5 to 10 points in the running high and  
running broad jumps.

Conrad L. B. Schuddemagen has been appointed  
to the Evan's Fellowship in Physics. Schud-  
demagen is one of the best students in the Uni-  
versity and his friends will be glad to hear of his  
well-deserved reward.

Capt. Bob Hays holds the distinction of being  
the champion college athlete in Texas, having  
made 23 points in the State meet. He entered  
five events and won four first places and one  
second place, which is a fine record.

Texas vs. Arkansas—Thursday, Friday and Sat-  
urday. Arkansas gave Varsity a couple of stiff  
games last week, and will doubtless make things  
interesting down here. Arkansas defeated Mis-  
souri this year. This series of games will close the  
season.

Donald Cameron, an ex-student of the University  
and now a graduate student in Harvard has been  
honored by receiving the Roger's travelling fellow-  
ship. It pays \$700 annually and is intended to  
enable the holder to pursue his studies in European  
institutions.

The following are the contestants in the oratori-  
cal contest Saturday night: Wilbur P. Allen, J.  
B. Dibrell, George Wright, Ed. Bewley, H. H.  
Hardy. This will be one of the best oratorical ex-  
hibitions ever given in the University. Be sure  
to take it in.

Bob Henry defeated Thomas in McLennan coun-  
ty for Congress. At present Thomas has 24 in-  
structed votes and Henry has 22. They are both  
Varsity products, and whoever wins, the Uni-  
versity will have three alumni in Congress, since  
both Burleson and Beall are practically assured of  
their seats.

A. & M. is going to be a dangerous rival in track  
athletics. The big, brawny, formidable-looking  
athletes A. & M. sent here Saturday made a splen-  
did showing, and under the broad and progressive  
administration of Prof. Houston, those boys from  
the forks of the creek will very likely make it in-  
teresting for Varsity.

The Tribune devoted a whole page to a glowing  
write up of the track meet. It contained also the  
pictures of Coach Curtiss, of the Texas and Bay-  
lor teams, of Capt. Hays of Texas and of Capt.  
King of Baylor. The Tribune is right behind the  
University and devotes a great deal of space to  
University affairs. It should be kept on file in the  
corridors.

The following are the officers of the Glee Club  
for next year: Dr. D. A. Penick, director; Lewis  
Johnson, business manager; H. M. Hargrove,  
president; L. Will Welker, secretary. The pros-  
pects for next year are very flattering. Several  
new men have already been admitted. All stu-  
dents who contemplate joining should see the  
director at an early date.

The Senior Class attended the band concert  
Saturday night arrayed in their caps and gowns  
and took things by storm. After the concert the  
staid and sedate seniors took a ride around the  
belt on Steger's generosity, ate pop corn, sang  
their songs, came very near stopping at Lamb's  
parlor on Benefield and had a jolly time in general.  
Prof. C. S. Potts acted as chaperone.

## John Orr, Groceries.

## Personal.

It is with pleasure that the editor of the TEXAN  
can announce that his highly valued assistant,  
Alec Deussen, of San Antonio, has been appointed  
Student Assistant in Geology. This preferment is  
well bestowed, for Mr. Deussen is recognized by  
those who know him as a diligent and successful  
student. Geology is Mr. Deussen's hobby, or  
specialty, as we say now-a-days; but hobby is the  
better word, because there are several points at  
which Mr. Deussen is especially good, and while  
he may be most amused with pebbles and Crystal-  
lography, what most pleases us is his ability to  
turn out copy at a wonderfully rapid rate, and at  
a remarkably high standard of excellence.

"My face is my fortune," she said.

"It's no crime to be poor," commented her dear-  
est chum.—Ex.

"Ha, I will fool the blood hounds yet," cried the  
fugitive hoarsely, and slipping on a pair of rub-  
bers he erased his tracks.—Ex.

She frowned and called him Mr.

Because, in fun he merely kr.

And then in spite

The following night,

This naughty Mr. kr. sr.

Ex.

### A Circular Letter.

The following circular letter is being mailed to all the school boards of the State and indicates what efforts are being made to secure positions as teachers for University students and graduates by the committee of the Faculty appointed for that purpose. These efforts will be productive of much good both for the public schools and students who desire to teach. The letter follows:

"Dear Sir:

"Many of the academic graduates of The University of Texas purpose to devote their lives to the profession of teaching. To secure desirable locations for these students and to protect communities from those who might prove unworthy, the President of the University has appointed a special committee of the faculty to make all recommendations. This service is rendered without charge.

"If you need a teacher, lady of gentleman, for high school or grade work, we shall be glad to furnish you with the scholastic record of some available student, together with an estimate of that student's special fitness for the position. Among our graduates are a number of mature men of experience who would make successful principals or superintendents.

"Assuring you of our desire to co-operate with you in the improvement of the schools in this State, I beg to remain,

"Yours truly,

"W. S. SUTTON,

"Chairman Committee on Teachers."

### The Arkansas Travelers

Play

#### Leslie's Aggregation

Thursday, Friday, Saturday. 3:30 P. M.

\$1 for 3 games. 50c for one game.

#### Entrance Examination.

Entrance examinations for admission to the University will be conducted all over the State next month. This method obviates the necessity of conducting examinations here, and is of great convenience to the people.

The following circular letter giving the dates of the examinations was mailed to the principals of affiliated high schools last week:

Dear Sir:

Not later than the last Wednesday in April, I shall mail you under seal Entrance Examination questions to the University of Texas. These examinations are to be held at each affiliated school according to the following schedule:

English.....Wednesday, May 14, 9-12 a. m.  
History.....Wednesday, May 14, 3-6 p. m.  
Mathematics.....Thursday, May 15, 9-12 a. m.  
Latin.....Thursday, May 15, 3-6 p. m.  
Greek.....Friday, May 16, 9-12 a. m.  
Modern Languages.....Friday, May 16, 3-6 p. m.  
Natural Sciences.....Friday, May 16, 3-6 p. m.

Kindly see that the proper notice of the examinations is given through the press, calling attention to the fact that only the examinations in Algebra, Geometry, English, and History are unconditionally required for admission. With the exception of Latin, the matter covered by the examinations on the remaining subjects may be taken in the University. An entrance examination in Latin is required of only those who wish to study that subject while in the University.

Thanking you in advance for your kind attention to this matter, I remain,

Very respectfully,

JOHN A. LOMAX,

April 20, 1902.

Registrar.

#### The Trip and the Games.

The team has returned and with them bring a most remarkable string of victories. Six out of seven games, under such trying circumstances, is a record every one is proud of. Traveling all day often, and sometimes on freights, isn't usually put in the physical trainer's schedule of helpful exercises; yet, despite this every telegram, save one, brought grateful news. The three games played with college teams before the trip were victories, so that the 1902 team has won nine out of ten games. Such a record entitles them to an "A" under any system. Manager Randolph and Captain Leslie look as happy as a man who has fallen heir to a small fortune. On behalf of the students who have watched with so much concern their efforts toward making this season successful, we thank them and the skillful young gentlemen who

constitute the team, Vann, Weller, Roberson, Terrell, Bonner, Porter, Calhoun, Allen, Thomas, and Shands.

The season of 1902 closes this week with the 3 games with Arkansas. The boys say that they were given a royal reception at Fayetteville, and they bespeak for the Arkansas Travelers a genuine Texas' welcome. They will get it. The games will be contested closely, for both teams are very strong; however, Texas expects to win the series at least. It is hardly necessary to urge upon the students the necessity of attending the games, because when you can assure them of a close, well-played game, they go anyhow. The games Thursday, Friday, and Saturday will be exciting from start to finish, and full of spectacular playing, if the games in Arkansas are a sure guide.

#### Off for Nashville.

Tuesday afternoon at 1:30 Coach Curtiss left for Nashville with Gillette, Bowen, Averitte, and Schuddemagen to battle for Texas in the Southern track and field meet to be held in that city Friday and Saturday. The necessary funds were readily secured through the patriotism and spirit of a number of organizations in the University.

This is the first time that Texas has been able to send more than three men to this meet. With such splendid athletes for its representatives as the ones above named, 'Varsity will doubtless make a creditable showing and open the eyes of the folks in Tennessee. Coach Curtiss is highly gratified at the prospects and says that unless something very exceptional happens in the events on which he is counting, Texas has a fine opportunity to carry away some twenty points. This would be a splendid record for only five men.

The following are the events for which the Texas men have been entered:

Gillette—running high jump and running broad jump. He holds a record of 5-4½ in the first of these and 20-9 in the second.

Bowen—100 yard dash; 220 yard dash; 220 yard hurdle and running high jump. His record in the 100 yard dash is 10 1 5; in the 220 yard dash under 25; in the running high jump 5-3½.

Averitte—hammer throw and shot put. Averitte has thrown the hammer about 99 feet and is counted upon to do something in this event.

Schuddemagen—half and mile runs. His record in the mile is especially good being 5-9.

Texas loses this year two young men, who came as strangers to us, and who go now far from us, but who in their sojourn in this fair country have won a place in the affectionate good will and well deserved admiration of their fellow-students. Brues and Melander came to the University from Chicago three years ago; next year Mr. Melander will be Fellow in Zoology in the University of Chicago, and Mr. Brues Fellow in Zoology in Columbia University. The recognition these young gentlemen have gained is well-merited. We expect to hear from them some day by hearing of them, and though by chance they pitched their tent in our midst, yet we shall always take a pride in their successes.

### Methodist Church of Austin,

Services at Odd Fellows Hall, East Ninth and Cong. Ave.
